(<http://www.hakkapopmusic.com.tw>)

(1) Registration for Composition Category

- A. Open to individuals, teams, and bands. However, the main members of the compositions may not overlap with members of other registration or register concurrently through other categories.
- B. The songs that are registered to perform must be original song. Each person (category) can register up to 3 songs (including joint composition). Different artists of lyrics or music should be applied for contest registration along with the performer.
- C. For registration, please complete the application form from the main website, upload the audio file of the entries, photo (full-faced and high-resolution half-length or full-length photo), and other information before completing the registration procedures (Photo specification: JPEG file with the size of at least 1MB; Audio file format: WAV · MP4)

(2) Registration for Singing Category

- A. The singing category may be performed through solo, ensemble, or chorus, without the restriction of mode. However, the main members of the compositions may not overlap with members of other registration or register concurrently through other categories.

- B. The songs that are registered for performance must be Hakka pop Music ( at least per person one ). The preliminary round requires mostly the audio of cappella.
- C. For registration, please send out the application form to the main website, upload the audio of the cappella work, photos (full-faced and high-resolution half-length of full-length photo), and other information before completing the registration procedures. (Photo specification: JPEG file with the size of at least 1MB. Please provide the YouTube link for the registration video).

7. Form of contest music:

(1) **Composition Category** Music

- A. Music must be an original song. The definition of original song includes the lyrics and music composition, the original song concurrently registered under the same category. The lyrics or music can be composed by a different person from the team.
- B. All entries works must be accompanied by the introduction and description of the lyrics.
- C. The content and musical style of the entries are not limited. However, the entries must include Hakka elements and the length of song limit is about 3~6minutes the most.
- D. The original song for the competition should not have won awards in other public competitions or have been digitally/physically distributed.

(2) **Singing Category** Music

A pop song of your choice, which must cover Hakka lyrics or Hakka music elements, etc. The length of a cappella is limited to 2-3 minutes.

8. Instruction for overseas contestants:

- (1) Foreign finalists refer to those with foreign nationality who live abroad (other than Taiwan, Penghu, Kinmen, and Matsu).
- (2) Online registration is only for preliminary rounds and the registration for the contest is the same as the way in Clause 6.
- (3) Overseas teams for semi-final or finals must comply with the arrival control measures and anti-pandemic requirement of Taiwan during that period. Apart from the relevant funding for overseas semi-finalists and finalists as described in Clause 11, such overseas contestants shall pay for other expenses at their own expense.
- (4) For those shortlisted for the semi-finals and finalists, if they cannot come to Taiwan due to the pandemic, they can choose to participate in the form of films. The participating film must provide a shooting plan before the shoot and comply with the following requirement:
  - A. The shooting venue for semi finalist may be in the local rehearsal room or LIVE HOUSE. The film for finals must be produced in local LIVE HOUSE only.
  - B. All entries film must be produced in HD high-resolution One Take, including audio and video, no editing, post-production, etc. Violators may be deemed as a waiver of

the contest.

- C. Send the link of the entries film to the designated email within 7 days prior to the contest. Registration will be completed by email confirmation.
- D. Compliance with conditions subject to the latest official announcement.

9. Judgement:

(1) The organizer shall select professionals to form a judging team who is responsible for the evaluation. The evaluation process includes the preliminary, semi-finals, and finals. The entries are reviewed for the following content:

- A. Preliminary: The music entries provided by the contestant for registration shall be used as a scoring basis. The composition category includes lyrics, music, arrangement, performance, and musical richness.
- B. Semi-Finals: Must be performed through Live Band. The live Band of composition category is not confined to any arrangement and form while the singing category will be arranged with the music director to assist in arranging every entries song into a liver performance version. The director also plans the pre-rehearsal and band practice. Musicians will accompany the contestant on performance day. The score is based on the completeness of the performance, including lyrics, music, arrangement, singing, live stage performance, costume modeling and other extra props. Each team is limited to 3~6 minutes of performance

time. Those without reaching or exceeding the specified time limit shall be deducted for points according to the resolution of the judging team.

- C. Finals: Must be performed through Live Band. The competition format of the composition category and the singing category are the same as that of the semi-finals. In addition to the judging team, 20 representatives from the industry will be invited to form the observation team. The members include representatives of industries in radio stations, TV, online media, and the music industry, who will join the evaluation through their acuity to the market. The proportion of scoring includes 70% from professional judges and 30% from the observation team.
- D. The semi-finalists of each category are limited to 10 teams, with each category of finalists limited to 6 teams in general. The actual number of teams shall be determined by the judges.
